

# Julian Joshua Komala

Phone: (925) 980-1604

Email: jkomala@ucsd.edu

Address: 3586 Mendenhall Court, Pleasanton, CA 94588

## Objective:

---

- To apply my programming skills and passion for Computer Science in a Summer Internship

## Education:

---

University of California San Diego  
B.S., Computer Science  
Expected Graduation Date: June 2018

**Cumulative GPA: 3.783**

**Major GPA: 3.940**

## Skills:

---

- Languages
  - Advanced: Java, C Language/Assembly,
  - Intermediate: C++ , HTML , CSS
- Tools:
  - GDB, Vim, Git, Valgrind, Unix
  - Android Studio

## Relevant Experience:

---

Vex Robotics (Competitive Club)

- Specialized in constructing and driving the robots
- Led and advised new members.

## Relevant Coursework:

---

Computer Science

- Object-Oriented Design and Advanced Data Structures
- Software Tools and Techniques
- Advanced Algorithms and System Analysis
- Computer Organizations and Systems Programming
- Discrete Mathematics
- Software Engineering
- Component and Design Technology
- Digital Systems Laboratory
- Algorithm and Systems Analysis
- Computer Organization and System Programming

## Affiliations:

---

Phi Delta Theta Fraternity

- Founding Father
- Learned Collaboration Skills

UCSD Men's Ultimate

- Learned Teamwork and Leadership skills
